Plaintiff - Appellant,

v.

**FACEBOOK, INC.; GOOGLE LLC; AIDAN KEARNEY,**

Defendants - Appellees,

**KATHERINE PETER; JEREMY HALEY; MARTHA SMITH-BLACKMORE; WILLIAM  
HIGGINS; JIM DALTON; MAURA TRACY HEALEY; JOHN DOES (1-10),**

Defendants.

**Affidavit Of Rian Waters**

- 1) On November 19<sup>th</sup> at about 10:13 pm I found out that a fake Facebook account was made in my name, (Exhibit B) and had sent fake threats directed at Kearney's children. (Exhibit C)
- 2) I reported two of the threats immediately, but then my phone battery died, about 10:15 I reported the profile as being a fake copy of mine, and Facebook unpublished the account about two minutes later.
- 3) I reported the crimes to the FBI, US Marshals, and Mass Attorney General's office with no success.

- 4) On or about December 7<sup>th</sup> 2021, Kearney estimated that 40% of people in Massachusetts know who he is, but he estimated that 99% of police support him.
- 5) Kearney's attorney said he would oppose if I asked the lower court to investigate the threats.
- 6) Aidan Kearney committed perjury on December 1<sup>st</sup>, 2021, trying to convince a judge that he was sure that the fake threats were sent by me because when he clicked on the threats they led to my profile with our past messages.
- 7) At the same hearing Kearney committed perjury saying that I normally talked in the same manner as the fake threats, and that he had never been accused of being a pedophile.
- 8) Kearney tried to get a restraining order against at least two of the last three plaintiffs that filed a complaint against him, and when discussing both of them he said that he was expertly aware that it takes three instances of harassment for a 258e order to be granted.
- 9) Katherine Peter claimed in a YouTube video that Aidan Kearney told her, that because Amanda Sawyer was willing to be my witness, he did not care that the screenshots being used to shame

Amanda Sawyer were fake. (RA 125)(Ms. Peter has more screenshots)

- 10) On December 24th 2018, Aidan Kearney claimed that one of his followers created an entire website just to make fake child rape allegations about Talib Kweli after Kweli found and retweeted an article where Kearney was alleged to be sexually inappropriate with a minor.
- 11) All of Kearney's ex-employees have either went into hiding after quitting or after they quit they claimed Kearney is a dangerous psychopath.
- 12) Summary judgment was reversed in 1879CV0344, and it is common knowledge among people familiar with Kearney that he has been trying to move away from his family.

Subscribed under the penalties of perjury.
